

ABOUT US

Gdynia Entrepreneurship Support Centre is part of the “Enterprising Gdynia” programme, implemented in the city since 2001. The Centre commenced its activities, as a unit of the City Hall of Gdynia, on 5 February 2007 in the registered office located at 141 Świętojańska St. and as of 26 October 2010 it has been operating in a new location, in Gdynia at 24 10th Lutego St.

The programme “Enterprising Gdynia” in an innovative and diverse way promotes entrepreneurship among the residents of Gdynia. An example of such approach towards entrepreneurship promotion is foundation of Gdynia Entrepreneurship Support Centre (*Gdyńskie Centrum Wspierania Przedsiębiorczości - GCPW*) where persons who want to take up business activities may receive practical information regarding registration procedures as well as obtain knowledge about sources of financing from business support institutions and European Union.

The initiatives taken under the programme “Enterprising Gdynia” are aimed at:

- increasing competitiveness of Gdynia’s economy by way of development of SME sector which is one of the major driving forces of economic growth;
- supporting economic activity of local business;
- promoting the idea of setting up own business – including among people with disabilities;
- mobilizing local labour market and preventing unemployment;
- supporting development of innovative companies;
- promotion of the qualities of the City of Gdynia addressed to external investors.

Under the programme “Enterprising Gdynia” – in addition to Gdynia En-

trepreneurship Support Centre – there are other initiatives functioning such as, among others: Pomeranian Science and Technology Park along with Entrepreneurship Incubator, Pomeranian Campus of Professions (*Pomorskie Miasteczko Zawodów*) attached to Economic Foundation, Gdynia Job Fair (organized in collaboration with District Employment Office, Poland-wide competition “Gdynia’s Business Plan”, International Economic Forum – held annually, as well as numerous congresses, seminars, trainings, publications, etc.
