

POMERANIAN REGIONAL CHAMBER OF COMMERCE

Pomeranian Regional Chamber of Commerce (*Regionalna Izba Gospodarcza Pomorza*) is business self-government organization gathering entrepreneurs who conduct business activities within the area of Pomorskie Voivodeship. The most important task of the Chamber is to establish and reinforce cooperative relations between enterprises and provide help with establishing contacts with partners in Poland and abroad. The Chamber actively supports development of Pomerania's business entities, especially the companies that are members of Pomeranian Regional Chamber of Commerce, in competing on the global market (conferences, trainings, cooperation with local governments and other institutions).
